**2. Review Goal #1 – Strategic Plan**

Goal #1 was shared. The Education Committee has to identify their goals and priorities. Not all will be a goal for this year. Priorities will be determined. Tasks with a projected finish date in 2017 were reviewed to determine if they are priorities.

SWIFT, PACE, Competency Based, science labs, and instructional programs were all discussed.

International Baccalaureate Program was discussed. It is a standardized international program.

ATC Review was discussed. ATC programming decisions in terms of relevance to jobs in the workplace needs to be tied. A process to guide those decisions needs development.

At the June 21<sup>st</sup> School Board Retreat a list of Ed priorities should be shared.

It was noted that SWIFT, PACE, and NEASC accreditation were conversations that resurfaced throughout discussion.

**A motion, based on NEASC, to have the Budget & Property Committee examine what is required to take care of safety and educational requirements for science labs was made. Second. Unanimous.**

**3. Education Committee Goal Setting**

**A motion to have four (4) bullet items for the retreat for the 2016/2017 year:**

**SWIFT, ATC programming, curriculum renewal, and PACE/balance assessment. Unanimous.**

**July 25<sup>th</sup> was tentative date for next Education Committee meeting.**

**Janine Lesser motioned to adjourn at 6:49 p.m. Bernd Foecking second. Unanimous.**

Respectfully submitted,
