1. Accept Minutes of March 15, 2018

Dick Dunning moved to accept the minutes of March 15, 2018. Jerry Wilson second. Jerry Wilson and Kristen Reilly abstained. All else in favor. Motion carried.

2. Old Business

3. Adjourn to Relocate to MAxT Makerspace (49 Vose Farm Rd.) to tour facility

Those present relocated to makerspace to tour the facility.

Discussion took place about things that are not taught today, such as reading blueprints and learning welding symbols.

Makerspace might provide opportunities for kids to learn skills they might not otherwise. It allows for the possibility of making connections.

Within the makerspace toured, woodworking, welding, sewing, jewelry repair, and small engine repair were just a few of the utilizations of the spaces rented in this one location.

Discussion took place, in particular, on the topic of welding. Space is currently underway to become available for training in welding skills and certification. This is not available in the area and provides the possibility of career opportunities.

Meeting adjourned at 8:06 p.m.

Respectfully submitted,

Brenda Marschok
