Alan Edelkind called the public hearing to order at 7:01 p.m.

Alan Edelkind read the following:

In accordance with RSA 198:20-c,II, a public hearing will be held by the Contoocook Valley School Board for the purpose of expending funds from the Equipment Capital Reserve Trust Fund for the 2022-2023 fiscal year for the purchase of replacement vehicles.

Tim Grossi, Facilities Director, reported information about food service vehicles and their usage. The recommendation is to replace two of the vans. Both have over 117,000 miles and are on a replacement schedule. They will not make it until the summer. The registrations are up in March. Each require needed work now. Reliable transportation is necessary to deliver food. A used vehicle that may have just come off a lease will be sought. The request is not to exceed \$52,000 for the two vehicles.

Dick Dunning said that we have three vans. Do we turn all three in? Tim Grossi said that we need three now but it will change to two at some point. The third could be traded in at a later time.

The funds are requested from the Equipment Capital Reserve Trust Fund.

Alan Edelkind opened the hearing up for public discussion.
None heard.

Jim Fredrickson moved to approve the request for expending trust funds up to \$52,000.

Katherine Heck seconded. Unanimous.

Alan Edelkind closed the public hearing at 7:06 p.m.

Respectfully submitted,

Brenda Marschok
