4. Upcoming Activities

Individual Town Meetings - information for planning, individual town meetings, on-line forum, and online survey were reviewed.

Selectmen's Advisory Committee (SAC) will be asked to notify the towns for the individual town meetings.

SAC and Prismatic will work with scheduling the towns.

Prismatic is the facilitator; this is a non-biased evaluation toward a recommendation.

The Selectmen and Prismatic are the key for the town meetings.

Jeff Brown, SAC Chair, will be asked to communicate with Selectmen's Advisory Committee members.

On-Line Forum - is one forum for all of the towns combined.

On-Line Survey - will be released in September. Alan Edelkind agreed to check to see if the information is needed in advance of the town meetings.

Or, should it follow the individual town meetings?

The meeting schedule for Prismatic Services staff, while they are onsite next week, was shared.

Areas such as curriculum and other areas where data will be needed was discussed.

5. Non-Public Session (If needed)

None.
