

CONVAL SCHOOL DISTRICT COMMUNITY FORUM

Your ConVal School board and administration are pleased to announce a ConVal Community Forum. Below are the details about this forum.

Where and when is the Community Forum?

ConVal High School in the Lucy Hurlin Theater. Thursday February 8, 2024 , 7:30 - 9PM.

What is a community forum?

A community forum is a meeting where people can discuss, share knowledge, and talk to each other about the consolidation/Reconfiguration activities, recommendation, and direction.

Why do we need a community forum?

School board meetings, being business meetings, provide a limited venue for The ConVal School Board and Administration to engage with our community. We believe in being open and transparent in all of our activities. We believe in ensuring that the ConVal community is engaged and informed. A community forum is one mechanism to achieve these goals.

How do I attend the Community forum?

We are providing two ways for the public to attend the community forum. You can come to the Lucy Hurlin Theater at ConVal high school to attend in person or you can attend the forum via a live stream feed from the forum.

How is the Community Forum organized?

There is one topic for these forums which is consolidation/reconfiguration. Each forum will start with opening remarks and proceed to a presentation on consolidation/reconfiguration, our activities to date, direction etc. After the presentation there will be an opportunity for either audience to ask questions. Each question will be answered by the presenter or by a member of the School Board or Administration. There will be a moderator that will control the flow of information and activities at the community forum.

How are questions presented?

After the presentation the in-person audience will have an opportunity to ask questions directly to the moderator who will direct the question to the appropriate person to answer. Members of the audience that are remote and on the live-stream will be able to submit their questions via email to community forum members. These folks will select questions from the emails received and give to the moderator who will direct the question to the appropriate person to answer.

How do I attend remotely via live stream and how do I submit questions?

The live stream will be done as a U-Tube event. This will mean that the community forum will be recorded as a video on U-tube so that not only can it be viewed as it is taking place but it can be viewed at any time after the community forum is completed as it will be on U-Tube servers forever. To access this forum go to www.youtube.com/c/ConValEvents, then select "2/8/24 online meeting"

To send in a question via email please use the following email address Forum@conval.edu.

Why should I attend the ConVal community forum?

It is your money, it is your school district, it is the education of your children, and it is your community. Be involved. Make a difference.
